Race day: 3:45am - 4:40am. Road closes at 4:40am. If you arrive late you will be turned away. No refunds.

**Directions:** Speedway west to Gates Pass. Travel Gates Pass to Kinney Rd. Turn left (south) on Kinney. The first Old Tucson entrance is the employee and delivery entrance – you must use that entrance. Please try not to travel from Ajo to Kinney, as Kinney will be closed to traffic at 4:40 a.m.

**Parking Details:** our course starts and finishes at the main park entrance to Old Tucson at 201 S. Kinney Rd. Please arrive on-time. All roads will be closed by 4:40 a.m. Late arrivals will be turned away. Parking is plentiful and is right near the start/finish line. We will start parking you via the Old Tucson employee parking lot, which is the first entrance to Old Tucson.

**Timing:** this event will be chip timed event and you must wear your bib on the front of your body to receive a time. Your timing chip is on the back of your bib.

**Event start/course:** faster runners please place yourselves towards the front. This will ensure a safe and stress-free start. No dogs are permitted. The course travels south out of the Old Tucson parking lot onto S. Kinney Rd. You will then run south for 2.5 miles, at which point you will turnaround at the end of Tucson Mountain Park on Kinney Rd (staff will be there to turn you around) and you will then head back to Old Tucson. A course monitor will direct you back into the parking lot. You will then run within the coned area and make your way to the finish line (same as from where you started your run or walk). It’s that simple. You have until 7:00 a.m., to complete the course, no later, at which time Kinney Rd. will be re-opened to vehicles.

**Water/Aid Stations:** we always encourage participants to carry their own water, especially when it’s hot out. We will have a water stop near mile 1, which you can catch in both directions, so mile 1 & 4. 16-ounce water bottles will be available at the 2.5-mile turnaround. If you take a

bottle, it is your responsibility to carry it with you until you can properly dispose of it. No littering please.

**\*\*We do encourage you to bring your own water bottle. We will have plenty of water for you to fill your bottle if need be.**

**Awards:** yes, we will have a live awards ceremony at the race!

- Overall male and female for 1st, 2nd and 3rd place take home a custom Rooster trophy and a special award.

- 5-year age groups will be determined on race day and 1st, 2nd and 3rd place will be awarded custom Everyone Runs Rooster trophies.

- Overall winners will be removed from age-group qualification.

- Complete results will be available by 11am at [everyoneruns.net](http://everyoneruns.net). If you enabled result tracking when you signed up for the race, you can find your results on your phone as you finish.

**Shirts:** for those of you that ordered shirts, they will be handed out at the race. You can choose to pick it up before or after at our white tents. Shirt size exchanges, if available, will only be made after all participants have their shirts. We do not give out medals for participants, but rather finisher shirts.

**Shirt extravaganza:** we have lots of leftover shirts from past events. Simply wear a past Everyone Runs' race shirt and you can grab a free Everyone Runs' shirt. Look for this at our tents near the start/finish line.

**Post-race food, drink:** when you cross the finish line grab yourself a free bottle of water and enjoy our always Free Mexican Breakfast. We'll also have free shaved ice!

**Photos:** event photos will be posted a few days after the race at [www.flickr.com/everyoneruns](http://www.flickr.com/everyoneruns). Photos are always free to download in any size.
